

## **Direct2U Mobile Application Instructions:**

The Direct2U mobile application is available for iPhone and Android. To download the application on your device, follow these steps:

1. Go to the iOS app store or Android Google Play Store. Search for "Direct2U Travel."

- 2. Once the application is found, select "get" or "install" and the application will be installed on your device.
- 3. Open the application on your device and select "register".
- 4. To register you will need to enter the following information:
  - a. Email Address (this needs to be the email address you are using in your Direct Travel profile and on all reservations)
  - b. First and Last Name
  - c. Mobile Number (the format required for adding your phone number is 1-201-555-1212)
  - d. Password (your password must contain at least 8 characters including at least one number)

Direct 2U <sup>*</sup> You have successfully signed up to Direct 2U. You now need to activate your account by clicking on the link in the email we have sent you. Once your account is activated you can sign in and add a trip so that we can show you: flight information; weather forecasts; destination and event guides, all tailored to your trip.	Success You have successfully signed up to Direct2U. You now need to add a trip so that we can show you: flight information: weather forecasts: destination and event guides, all tailored to your trip. In order to automatically synchronise trips booked with Direct Travel you must register online by following the link in your Direct2U itinerary email. Sign in
iOS	Android

- 6. Your sign up will now be complete on the app, but you will need to activate the account by clicking on the link in the email that we have sent you.
- 7. Activation Email Details
  - a. Subject : Thank you for registering for Direct2U
  - b. Sender Email Address: <u>DirectTravel@streamthru.com</u>

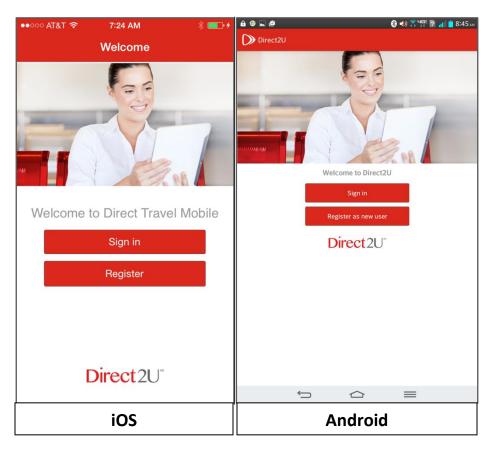

8. When you click on the activation link within your email it will open a web browser, and you will see that your account has been activated.

9. Once your account is activated you can sign in with your email address and password, and you will see all of your trip details. Flight information, weather forecasts, destination information and event guides are tailored to your trips.

10. On your mobile device you will now select "Sign In" on the Welcome Screen:

- 11. Enter your email address and the password you created during the registration process. Any trips that have been booked through Direct Travel will be updated and added to your new Direct2U app by your agent team that books your reservations.
- 12. You may also be asked if you want to "allow" push notifications. By allowing these notifications you will enable Direct Travel to provide status updates for your reservations.
- 13. For help or support with the application please email Direct Travel at direct2u@dt.com.
